

TARTARS TALLY FIRST SEASON WIN

BEES RAMBLE TO WIN OVER BROTHERS

(Herald Photo)

BEES BOP WIN . . . A disappointed Tartar Bee squad took on the Torrance Jay-vee when the Oxnard Bees failed to show for the first game of the season here Thursday, but the local speed midgets came through with a not so disappointing victory. They beat their bigger brothers, 19-12.

Outstanding for the Bees were Don Forth, Dennis Hester, Katsudi Ichi, and Jim Donette, among others. The Bees got another poke at competition Thursday when Leuzinger invades for a Bay League clash.

Two Tee-Dees In First Give Victory

Two touchdowns in the first quarter of play gave the Torrance High griders their first win of the season as they clobbered the Oxnard Yellowjackets 14-0 at the Oxnard field Friday night.

With only minutes gone in the opening stanza, Harry Bayliss, playing his first game in two weeks, waltzed around left end for 18 big yards for the initial tally. Big Beryl Jones cracked over to the promised land next play for the point after touchdown.

The win was credited as an upset victory for the local folks by virtue of the Yellowjackets' smashing defeat handed a Notre Dame varsity crew last week. It was the local's first win.

Score Again

A quick comeback after kickoff over for the first TD before the quarter faded away gave the Tartars another scoring chance, which they used to great advantage.

After punching from deep in their own territory to the Oxnard 9, Jones jolted over on a spinner for the No. 2 tee-dee. Jim Farrar lobbed a short pass to end Lee Mortenson for the PAT as the first stanza ended.

Bayliss, who for the last week has been gracing the sidelines because of a rib injury, gave the Maroon lads the punch that they have been lacking for two games.

Shots for Gain

The crafty halfback sped for 121 yards net gain in the first quarter of the game—total Tartar gain in the period was 126 yards. Some expert blocking cleared the way for the veteran halfback and he was able to put on a stellar performance.

After the locals landed their big scoring blow in the first frame the game belonged all to Oxnard, although they were not able to cross the goal line. Only 53 net yards were gained on the ground in the remaining three periods of play by Torrance.

Defensively, Jamie Brown and Bob McCutcheon got the 'nod as the top line-men of the night, though Ted Marcoux played his usual sharp game.

Don Kasten also performed well at his backfield post.

Passing Poor

Farrar's passing flopped for the night, as he got credit for no yards gained via the aerial route. Two passes went incomplete and one was snatched up by a Yellowjacket safety-man who scooted from the Oxnard 23 to deep into Tartar territory.

Following statistics were compiled by Ed Schwartz, ardent Tartar booster.

STATISTICS	
Yards gained, rushing	196 112
Yards lost, rushing	17 13
Net yards gained, rushing	179 99
Passes attempted	3 17
Passes had intercepted	1 3
Passes completed	0 4
Yards gained, passing	0 30
Net yards gain, run & pass	179 129
Yards lost penalties	25 35
First Downs	7 4

Volleyball Tourney Up

The Harbor District Volleyball Tournament to be held at Wilmington Gym, Wednesday, Oct. 8, will close its entries tomorrow.

Several teams are signed up and there are still openings for a few more. There are two divisions of play: Major and Minor. The teams that are in the beginning stages are classified in the Minor bracket.

Ex-Tartar at Center Post With Hot-Shot Service Team

Reports that a former Torrance High grid star is now performing on a sharp 12th Infantry Regiment football squad in Germany were received here this week.

PETE DOUROUX
on service squad

Pfc. Pete Douroux, who in 1949 and again in 1950 was named to All-Bay League pigskin teams as a top-notch center, is now with the regiment "Griffins." Pete was listed on an Army of Occupation "A-11-Stars" squad last season.

A press clipping from an Army newspaper was received by Miss Barbara Delsigne, 807 Amapola Ave., a friend of Pete.

"A sixty-minute defensive and offensive ball player, Douroux is co-captain of the Griffin outfit," the clipping reported.

He is slated for return to the States at Christmas time, Miss Delsigne said. (Ed. note—he's got a lot to come home to. Miss Delsigne was one of the beauties who vied for the Miss Torrance title several months back).

Warriors Point to Big Year As 43 Show for Basketball

With an initial roster of 43 names to greet him at the start of training for the 1952-53 basketball season at El Camino College, Coach Tom Bailey has set his sights for a busy season of something over 30 games ahead. Season opener will be at Riverside, November 21.

Seven returning lettermen and a host of new faces turned out as practice began. Returning letter winners included: Bob Ross, Los Angeles; Mike Stelino, Hawthorne; Wayne Scholl, Torrance; Don Paulson, Inglewood; Jack Fitzgerald, Inglewood; Jerry Richie, Torrance; and Dick Luse, Torrance.

Among top high school players new on the Warrior casaba courts are: Allen Herring, All-Bay League, Inglewood; John Nethercott, second string; Bay League forward, Inglewood; Chuck Miller, all-Bay League center, Redondo; Gil Eberhart, high scorer in the Bay League in 1950, and several more.

A four-game trip into the upper Central Valley has been scheduled for mid-December for the basketballers, including tilts with Sacramento Junior College.

Waterfowl Laws For New Season Told By Wardens

California's hunters will get a pot shot or two at the birds come Oct. 24, when the state's migratory waterfowl hunting season starts. It will run until New Year's Day, next year.

Federal laws covering California's section of the Pacific Flyway, and concurred by the State Fish and Game Commission, are as follows:

Hours Told

Shooting times for ducks, geese, black-sea brant and mudhens (coot) will be one-half hour before sunrise to one hour before sunset, except on the opening day, when shooting will start at 12 noon.

Daily bag and possession limit on ducks is six, to which may be added two wildgeons (baldpates) or two pintails, or one each per day, or in possession. Bag and possession limit is limited to one wood duck only.

For geese, daily bag and possession is six, including in such limit not more than two birds of the dark species—the common Canada and subspecies, white-fronted, Tule, blue and Emperor geese.

Brant (black sea brant only): Daily bag and possession limit is three. Mudhens: daily bag and possession limit, 15.

American and red-breasted mergansers: daily bag limit is 25 singly or combination of both. No possession limit on these after opening day.

Gray Gets T-V Set In Hospital

A television set Friday was installed in the hospital room of Bill Gray, Torrance youth who received a broken neck while performing for El Camino College in a game last week.

The set was loaned by Frank's Furniture Store, Torrance, and set up in Room 11 at Torrance Memorial Hospital.

Gray, a crackerjack one-armed tackle, was a star gridder on two Torrance High teams, in 1950 and 1951. He was named to All-Bay League squads twice.

Eighteen years old, Gray lost his arm in a train accident three years ago. He was aided back to recovery through financial aid given by members of the community.
